

## **Sister Mary Christopher Kuchman – 70 Years**

Sister Mary Christopher Kuchman entered the Congregation from Our Lady of Perpetual Help parish in Rochester.

“I am now celebrating 70 years of service and what a blessed, wonderful world of adventure,” she said.

Trained as a nurse, Sister Mary Christopher’s ministries have focused in the area of health care. She was a nurse at Nazareth Convent and a nursing supervisor at St. Joseph’s Hospital in Elmira. She taught nursing at Nazareth College and St. Joseph’s Hospital, and was Director of the School of Nursing at Good Samaritan Hospital in Selma, Alabama.

“Each ministry brought me close to the Lord, sharing His love and service. I continue to hear from my students from St.

Michael’s in Penn Yan, St. Joseph Hospital in Elmira, Good Samaritan in Selma, Alabama and many of my beloved workers at the Seneca County Health Department. They all have been truly a part of God’s plan for me.”

Currently Sister Mary Christopher is busy in retirement as a volunteer for St. Francis and St. Clare parishes in Waterloo.
