

Sister Anne Pfrang

After graduating from Nazareth Academy, Sister Anne Pfrang (formerly Sister Marie Annette) entered the Sisters of Saint Joseph and attended Nazareth College for her Bachelor's, Master's degrees and teaching certification. Sister Anne received certification in Administration from Fordham and Brockport Universities.

Her first teaching experience was at St. Lawrence School in Greece, a young and growing parish and school community at the time. "My meeting of Father John Murphy, the Pastor, was delightful as I greeted him as a gardener while he planted flowers in the front of school," said Sister Anne during her 50th Jubilee celebration in 2014.

From there she moved to St. Mary's, Canandaigua as a teacher and later to St. James, Waverly as principal and teacher. Sister's next move was to St. Helen School in Gates.

Sister Anne's ministry then changed to retail at the Sisters of Saint Joseph Cornerstone Crafts and DeSales High School Ave Maria Shop, followed by service as a Nursing Secretary at the SSJ Motherhouse. She also served as the Administrative Assistant at St. Kateri Tekakwitha Parish in Irondequoit. Most recently, Sister Anne served in the prayer ministry.

"My varied ministries move me to give thanks to God for these many years of service," she said in 2014.
