

## **Sister Margaret Kunder (formerly Sister Margarethe) – 60 Years**

Sister Margaret Kunder, formerly Sister Margarethe, taught for 18 years in elementary schools in the Rochester area, Canandaigua, and Selma, Alabama. “When I entered the Sisters of Saint Joseph 60 years ago, most of us started out as teachers or nurses,” explains Sister Margaret. “As time went on, Vatican II opened doors of choice in Religious Life. In the area of ministry, I chose to work in Pastoral Ministry, serving at Holy Ghost, St. Michael's Penn Yan, the Cayuga Cluster, and St. Gabriel's Hammondsport.”

Sister Margaret recently retired after 15 years as Chaplain at Rochester General Hospital. “I have been energized by the people I’ve worked with in schools, parishes, and at the hospital,” she says. “I really have the best of two worlds. I live in a Congregation with women who are women of prayer, always serving the needs of others, and I have worked in ministries with people who love God and desire to serve their neighbor with care and respect.”
