

Sister Sheila Connor (Formerly Sister de Neri) – 60 Years

“After 60 years as a Sister of Saint Joseph, I still feel pride and happiness with the life we live,” says Sister Sheila Connor, formerly Sister de Neri. “In these years I have been privileged to minister as a teacher, principal, physician assistant, and an advocate for our elderly Sisters. I have also had the opportunity to live in the city, suburbs and in small towns around Rochester. I thank God for the path He chose for me and look forward to more years of service.”
