

Sister Anne Guerin (formerly Sister Theodore) – 60 Years

“A year of Jubilee! A year to celebrate the gifts received over 60 years. Where shall I begin?” asked Sister Anne Guerin (formerly Sister Theodore).

“A quote from St. Paul’s letter to the Ephesians (5:2) has been a mainstay in my life. Its call is to ‘walk in love.’ During these years I have walked with the love and support of my family and friends, students and professional colleagues, and especially my Sisters in community. I have been teacher, student, administrator, colleague, volunteer – thousands of lives have touched mine, making it ever so much richer. (Sister’s ministries include St. Agnes High School, Nazareth College, DeSales High School in Geneva, Diocese of Rochester Education

Office, Life Span and *Sisters Care*.)

“There were the joys of new beginnings and the sadness’s of endings. As I reflect on these years it seems that there was ‘a time for everything under heaven,’ as the song says. There has been gift and challenge all along the way. I am grateful for so much!”
