

Sister Donna Del Santo – 25 Years

“In the words of Father Pedro Arrupe, SJ, ‘Fall in love, stay in love, and it will decide everything!’ My 25 years as a Sister of Saint Joseph has been a wonderful love story with God, with my Sisters in community, and with those I have accompanied in ministry,” said Sister Donna Del Santo.

“I have served as a nurse in the Monroe County Jail since 1995; coordinator of the SSJ Volunteer Corps since 1996; and as my Congregation’s Vocation Director since 2003.

“My passion is to help youth discover **God’s Dream** for them, through the lens of a call or vocation—whether it be to marriage, the single life, or religious life.

“This life and all its aspects have blessed me and helped me to become a Sister, in what our founder Jean Pierre Medaille, SJ called: ‘*The Congregation of the Great Love of God.*’ This life, which asks for your whole self, is a life worth living, and giving, to God and God’s people, whoever and wherever they are. Thank you to all who blessed me, by calling me ‘Sister.’”
